

STUDENT PLACEMENT PROFILE

LAGO VISTA ELEMENTARY SCHOOL

Student placement is a complex process that begins in the spring of the previous school year. Our goals in this process include building classes that are heterogeneously grouped (a balance of boys and girls, ethnicities, achievement levels, behaviors, special needs, etc.) and to match teachers' personalities with students' personalities. In the spring, Mrs. Jackson and Mr. Holt meet with teachers in grade level teams to blend a broad body of data (achievement, behavior, peer compatibility, special programs, etc.) to create classes. During the summer Mrs. Jackson and Mr. Holt review the data provided by this profile to finalize classes. At this time, teachers are assigned to these student groups.

Final decisions regarding class placements, including placing multiple birth siblings in the same classroom, are made by the campus administration. Class placements will not be finalized prior to Meet The Teacher Night in August.

If you have information that you would like considered as we build classes, please complete the following profile and return to the LVES front office by **May 18, 2018**. **Forms will not be accepted after May 18th.**

Child's Name

Contact Number

Please circle the following program(s) in which your child currently participates (if any):

Special Education

ESL

GT

Title 1

Dyslexia

In the space below, please describe your child's learning needs or unique personal needs to be considered when making class assignments. Your input is VERY important to us as we strive to make the most successful educational experiences for your child.

Characteristics of a teacher that your child has done well with/would do well with (*Please do not request a specific teacher*)

INFORMATION THAT WILL NOT BE CONSIDERED:

Requests for placement with a specific teacher or a specific student

Negative requests for teachers or for students UNLESS:

- You have/had a business relationship with the family of the student or teacher
- Your family has had a prior negative experience with the teacher or student
