

Campus Improvement Council Parent Representative

The Campus Improvement Council is an advisory council to the principal. This council provides input to help LVES make constant improvements or to implement new ideas.

I am interested in serving on the Campus Improvement Council as a parent representative. I would like to serve on this council because:

I understand that I will be committing to attend (as frequently as possible) meetings approximately once a month after school. I am willing to share my ideas and work with others in a positive way to help offer input that will make educational opportunities at LVES better. I understand that I must fill out a volunteer application and agree to a criminal background check. I also understand that there are only two positions on the committee, and I may not be chosen to serve.
